

# Leamington Vineyard Learning Centre

## **Ethos and Values:**

LVLC aims to serve its community by providing an education of the highest quality within the context of its Christian ethos. LVLC seeks to be a place, where all students and staff are welcomed, valued and treated with respect. LVLC's does not seek to proselytise, but will be open to respond to students (outside of learning time) as they seek to develop their own understanding of the meaning and significance of faith.

LVLC believes that we are all created in the image of God and are of unique value. We are inclusive and non-selective. We affirm the importance of each student with due regard to their social, ethnic and linguistic background, gender, sexuality, religion, various gifts, needs and abilities and will actively combat discrimination. LVLC seeks to create a place where all individuals are respected, supported and nurtured. LVLC seeks gives to others the tolerance, understanding and forgiveness that we would want for ourselves.

LVLC seeks to nurture in students a sense of purpose, confidence, self-understanding and concern for others.

LVLC is supported by Churches Together in Leamington.
